WEDDINGS

AT CROWNE PLAZA MARLOW

This modern hotel, with its stunning lakeside location, makes it the perfect venue for your special day.

The hotel is a unique venue with a banqueting suite for up to 300 dinner guests with its own self contained facilities including a bar and kitchen. The suite is located on the first floor and can be allocated exclusively for the wedding party.

These facilities are ideal if you would prefer for reasons of authenticity or religion to use a speciality external supplier to create a specific menu and experience for your guests. The hotel has long standing relationships with external caterers and would be happy to recommend them.
