## £8M Refurbishment in progress to create the finest Crowne Plaza in UK

Extensive multi-million pound refurbishment programme, which includes a transformation of the hotel's 168 spacious bedroom's is under way in 2019. The contemporary revamp will be completed by the internationally acclaimed design team Twenty2 Degrees, in order to achieve the inspired makeover reflected in the concept design.

The project, which is expected to be completed by Christmas 2019, without any impact to our guest experience, as the hotel continues to operate.
